
The Central Wisconsin Joint Airport Board is in the process of updating both Rules & Regulations and Minimum Standards for the Central Wisconsin Airport. These documents are created ensure a safe, consistent, and transparent operating environment for all airport users. The current draft copy is available at the link below:

<https://www.fly-cwa.org/planning>

As a user or stakeholder of the airport, I'd ask that you carefully review this draft publication and provide comments to me by October 10th. The plan is to present a final copy to the Joint Airport Board by the November 8th board meeting
